GOLDEN BALL AWARDS: Recognising Achievement

In July 2008 the Jason Roberts Foundation launched its Golden Ball Recognition of Achievement in Football Award.

In delivering football services over the last year in Grenada, the Jason Roberts Foundation recognised that there are a number of individuals who have dedicated time and effort to the enhancement of football development in Grenada.

Jason Roberts stated "Grenada has a number of unsung heroes of football who continually dedicate their time and expertise to ensure that football reaches out to all and at the Jason Roberts Foundation we are keen to ensure this dedication is recognised and rewarded". "It is with great pride and honour that the Jason Roberts Foundation has chosen to launch the Golden Ball Recognition Achievement Award which symbolises commitment to football in Grenada".

The Jason Roberts Foundation has established a **GOLDEN BALL AWARDS** committee who will contribute to identifying recipients of this award. The first Golden Ball is to be awarded to Anthony Modeste. The award ceremony will take place at the Grenadian by Rex Resort on Saturday 19th July at 8.30pm

If you would like to nominate an individual for this award, please email the Foundation on **jasonrobertsfoundation@live.co.uk**
